Conditions

The Bid is subject to the following conditions precedent:

- the tendered (and not withdrawn) Shares, Warrants, Convertible Bonds and ADSs representing at least 75% of the number of Shares at the end of the Initial Acceptance Period of the Bid;
- (a) the waiting period (and any extension thereof) applicable to the consummation of the transactions contemplated by this Bid under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act") shall have expired or been terminated and (b) the consent or approval required under any Antitrust Law of Germany applicable to the transactions contemplated by this Bid shall have been received, subject however to Article 4 of the Takeover RD. The conditions precedent listed under this item (ii), a and b have been fulfilled;
- no change or event has occurred prior to the publication of the results of both the Bid and the U.S. Bid that results in, or is at that moment reasonably likely to result in (in such case, as confirmed by an independent expert), a loss (including loss of net asset value) or liability of Ablynx or its Subsidiary, taken as a whole, with an impact on the consolidated net asset value of Ablynx and its Subsidiary on an after tax basis exceeding EUR 500 million (a "Material Adverse Change"); provided, however, that none of the following shall be deemed of itself to constitute a Material Adverse Change: (i) any change in the market price or trading volume of Shares; (ii) any general evolution on the stock exchange markets; (iii) any adverse effect resulting from or arising out of the announcement or anticipated consummation of both bids (Bid or U.S. Bid) including any such effects on employees, customers, vendors, suppliers, distributors, partners, lenders, contractors or other third parties; (iv) any changes in applicable law (or the interpretation thereof); (v) the threat, occurrence, escalation, outbreak or worsening of any natural disaster, force majeure event, acts of God, acts of war, police or military action, armed hostilities, sabotage or terrorism or (vi) any change arising out of conditions affecting the economy or industry of Ablynx in general which does not affect Ablynx in a materially disproportionate manner relative to other participants in the economy or such industry, respectively;
- with respect to the U.S. Bid only, the Bid has not been withdrawn ("intrekking") by Sanofi as permitted by Belgian applicable law; and
- there is no judgment issued by a court of competent jurisdiction or mandatory order by a Governmental Authority in the United States (whether federal, state or local) that would make the U.S. Bid illegal or otherwise prohibit the consummation thereof.

The abovementioned conditions precedent are stipulated for the sole benefit of Sanofi. Sanofi reserves the right to waive them, in whole or in part, except for the condition in (iv), which is only applicable to the U.S. Bid, at any time. If any of the abovementioned conditions precedent are not fulfilled, Sanofi shall announce its decision on whether to waive the (these) condition(s) precedent, except for the condition in (iv), which is only applicable to the U.S. Bid, no later than the time at which the results of the Initial Acceptance Period of the Bid are announced.

Reopening of the Bid

- Tendered less than 90% of the Shares: voluntary reopening

If Sanofi, persons affiliated to it and persons acting in concert with it hold, at the closing of the Initial Acceptance Period, less than 90% of the Shares, and all the conditions precedent have been fulfilled or waived, Sanofi reserves the right to voluntarily reopen the Bid at its sole discretion under the same terms and conditions after the publication of the results of the Bid following the Initial Acceptance Period.

- Tendered at least 90% of the Shares: mandatory reopening

Pursuant to Article 35 (1) of the Takeover RD, a takeover bid shall be reopened for a period of no less than five Business Days and no more than fifteen Business Days if Sanofi and/or persons affiliated to it hold, upon expiry of the preceding acceptance period, 90% or more of the Shares. Under these circumstances, the Bid shall be reopened within ten Business Days following publication of the results of the Bid.

- Tendered less than 95% of the Shares: voluntary reopening

If Sanofi, persons affiliated to it and persons acting in concert with it following the closing of the mandatory reopening of the Bid hold less than 95% of the Shares, Sanofi reserves the right to reopen the Bid at its sole discretion under the same terms and conditions after the publication of the results of the Bid following the mandatory reopening of the Bid.

Withdrawal of acceptance

In accordance with Article 25 (1) of the Takeover RD, Security Holders that have accepted the Bid may still withdraw their acceptance during the Initial Acceptance Period (or any subsequent Acceptance Period(s)). Please consult the Prospectus for the formalities applicable to a valid withdrawal of acceptance.

Squeeze Out

If, in accordance with Article 513 § 1(1) of the Company Code and Articles 42 and 43 of the Takeover RD, Sanofi, following the Initial Acceptance Period of the Bid or its reopening, possesses 95% or more of the Shares, it can require the remaining Security Holders to sell their Securities at the relevant Bid Price, provided it has acquired, through acceptance of the Bid, at least 90% of the Shares that form the object of the Bid. For the purposes of application of the preceding paragraph, securities held by persons acting in concert with Sanofi within the meaning of Article 513 § 1(4) of the Company Code, shall be treated as securities held by Sanofi itself.

If a Squeeze Out is launched, the Bid shall be reopened within three months from expiry of the Initial Acceptance Period (or the first reopening thereof) for a period of at least 15 Business Days. This reopening shall be at the same conditions as the Bid. The launch of a Squeeze Out and the reopening of the Bid shall be notified in advance.

Any such reopening shall be considered to be a simplified squeeze out within the meaning of Article 513 of Company Code, to which the Royal Decree of 27 April 2007 on Squeeze Outs shall not apply.

Shares, Warrants and Convertible Bonds not offered upon expiry of the acceptance period of the reopened Bid shall be deemed transferred to Sanofi by operation of law. The funds necessary to pay the price for the Shares, Warrants and Convertible Bonds thus transferred shall be deposited with the Bank for Official Deposits (*Deposito- en Consignatiekas /Caisse des dépôts et consignations*) in favour of the former Security Holders that did not sign or submit the Acceptance Form in due time.
